<b>Rubber:</b>	100 % Nitrile rubber
<b>Rubber thickness:</b>	approx. 8 mm
<b>Rubber weight:</b>	approx. 4.33 kg/sqm
<b>Cleaning:</b>	<ul style="list-style-type: none"> <li>» Washable up to 60°C</li> <li>» Tumble dry up to 60°C</li> <li>» Steam cleaning</li> <li>» High pressure water cleaning</li> <li>» Shake</li> </ul>
<b>Accessories:</b>	Mat Connector for secure linking of multiplemats

\* NAMSA (North American Science Associates) has indicated that Kleen-Thru Plus is rated 0/NZ (no growth, no zone) in the AATCC TM 30, Part 111 test, meaning this mat has an effective fungi static treatment that helps control the bacterial and fungal growth that cause odour in the mat.  
The anti-microbial treatment is registered in the USA by the Environmental Protection Agency and is bound and non-migrating, which means it is present for the life of the mat and will not wash off or rub off even when subjected to prolonged industrial washing. This treatment only protects the Kleen-Thru Plus mat and not the people who are using it. Always clean this product properly after each use.
